

**Doral (Quazepam)** is available at most chain and independent pharmacies across the United States, however **GALT Pharmaceuticals** also offers a simple and hassle-free mail-order option for your patients to receive Doral conveniently.

**GALT Direct** is our Central Hub Mail-Order Pharmacy Option run by **Infinity Care Solutions** and was set up to ensure that your patients receive Doral without any inconvenience.

## Using GALT Direct by Infinity Care Solutions is *simple*.

1. Once you've decided to prescribe Doral and use Galt Direct, send your prescription to Infinity using one of the following methods:
  - a. Use one of the following ways to E-prescribe –  
Name: **Infinity Compounding Solutions** or Address: **1204 SE 28th st, Ste 2 Bentonville, AR 72712** or NCPDP # **0424022** or Phone number: **479-250-1443**.
  - b. You can also fax your prescription –  
Send the prescription directly to fax number **1-888-720-1870**.
2. Inform your patient that they will be receiving a call from Infinity Care Solutions Pharmacy Staff to collect any required insurance or clinical information and confirm mailing address.
3. Prescription will be processed based on insurance information provided and manufacturer co-pay coupons will automatically be applied for eligible patients such that most patients pay zero out of pocket.
4. Doral prescription will be mailed directly to the patient's home address within 24 – 48 hours of patient contact.
5. Infinity Pharmacy staff will contact patients directly to ensure prescription is received and will answer any questions they may have. You may also reach Infinity pharmacy directly on **1-888-720-1873** with any questions.
